

Leading: Rainbow Child Care Center of Alexandria

Assistant Director: Bethany Spencer

Educational Background:

I graduated from the University of Kentucky in 2009 with a B.A. in Elementary Education.

Experience in the Field:

I have been working in the education and human services industry for 14 years, including 3 years as a social worker and 4 years teaching Kindergarten at another Rainbow location.

Family:

My husband Mike and I have three children: Trinity, Abigail, and Wyatt. One of our children was adopted through the foster care system where we were foster parents for four years. We also have two dogs: Oscar and Rufus.

Special Interests & Hobbies:

I enjoy reading, gardening, hiking, playing tennis and golf, going to sporting events, and making crafts. I also enjoy being involved in my community and am a member of my county's Relay for Life board and tourism council.

Why I Chose this Field:

I grew up in a town where education was not valued and many of my peers did not complete high school. I became an educator to help create lifetime learners who would value the importance of their education and the impact it would have on their future.
