Director: Donna Bowen

Educational Background:

I earned my Bachelor's Degree in Psychology Behavioral Science in 2011 and my Associates Degree in Early Childhood Education in 2004. I am currently working on my Masters for Secondary Education.

Experience in the Field:

I have worked in the field of Early Childhood Education for 25 years. I love watching their young minds grow and develop. Watching a child achieve something they didn't think they could is amazing.

Family:

I have three wonderful grown children, James, Jonathon and Katelyn. I also have six amazing grandchildren and two dogs named Lady and Piglet.

Special Interests & Hobbies:

In my spare time I like to read and knit. I love to make my grandchildren hair bows. I also love being outside and spending time with my family and friends.

Why I Chose this Field:

I enjoy watching the children grow and learn new things while they explore the world around them. Getting to know the families and help make a difference is very rewarding.
