**Director: Michelle Burkart**

**Educational Background:**

I have a Child Development Associates and currently working on completing my degree in Early Childhood.

**Experience in the Field:**

I have been involved with Early Childhood Education since 2002. Over the past several years, I have experienced childcare from many different perspectives.

**Family:**

My husband Robert and I were high-school sweethearts and have been married since 2006. We have two beautiful daughters, named Mylia and Kennedy. Our family wouldn't be complete without our Bull Mastiff, named Disney.

**Special Interests & Hobbies:**

Family is always my focus outside of work. We are Walt Disney World fanatics and enjoy planning a trip every year! I also enjoy sports, reading and family activities. I enjoy going to football games (Who-Dey) and watching my daughter play basketball.

**Why I Chose this Field:**

Working with children has always been my lifelong goal. This field has a direct and positive influence on our immediate community and the next generation. I enjoy meeting new families and making a difference.
