

**Leading: Rainbow Child Care Center of Verona**

**Assistant Director: Terri Weis**

**Educational Background:**

I received my Bachelor degree in Psychology from the University of Wisconsin, Madison in 2012.

**Experience in the Field:**

I have worked in Early Childhood Education for over 11 years. I have spent the last five years in various group childcare settings in a variety of roles, ranging from Lead Teacher to Program Director.

**Family:**

My immediate family consists of my significant other and our 12 year old rescue dog, Angel. I am also very close to my older brother and parents, and spend as much time with them as possible.

**Special Interests & Hobbies:**

In my spare time I love going horseback riding and spending time in nature. Some of my favorite activities include hiking, camping, and tubing. I also have recently adopted a healthier lifestyle and enjoy spending time being physically active and participating in various 5K events.

**Why I Chose this Field:**

I chose to work in Early Education because I love spending time with children and nurturing them as they learn and grow. I find the innocence of children refreshing and am excited for the opportunity to play a role in shaping the lives of future generations! I also love watching children experienced those "Ah-Ha!" moments when they are able to master a particularly challenging skill.
